Beware the communication challenge

Expected speed of answer

"Formal"/public quality
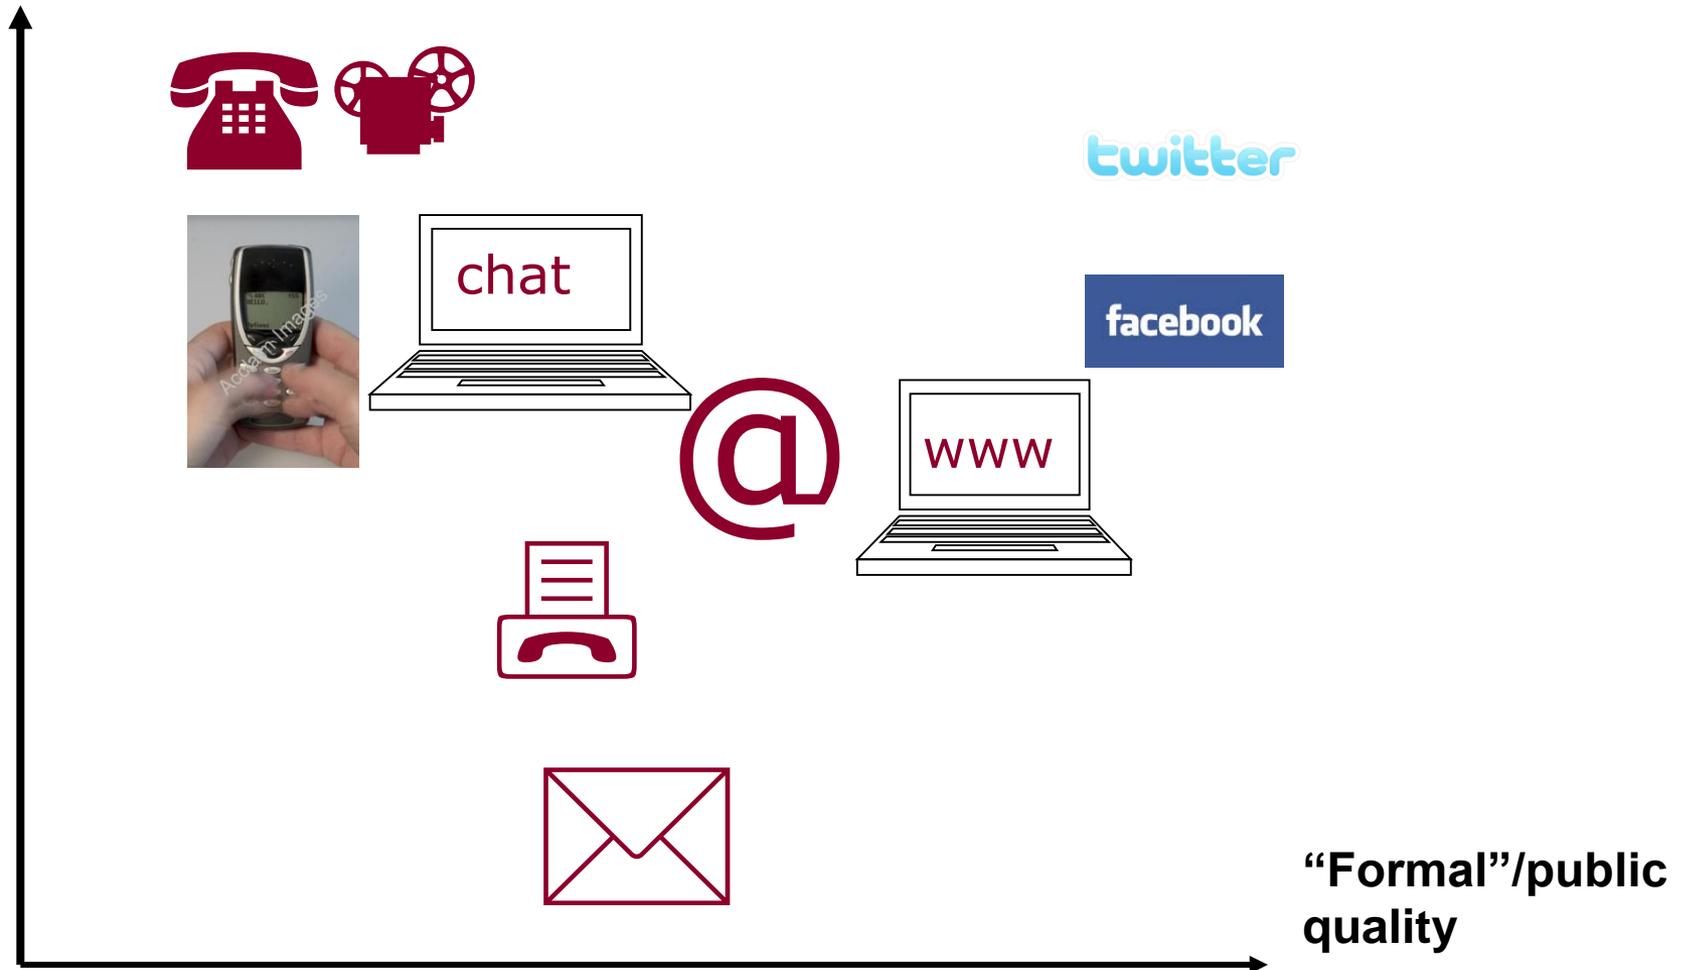

Phone is not dead …

With Crisis lasting, money will talk.

Efficiency will prevail.

Of course it is a hype …

a hype ?

Definition of hype

noun [mass noun]

extravagant or intensive publicity or promotion

(Oxford Dictionary On line)

Nicola Millard (BT)
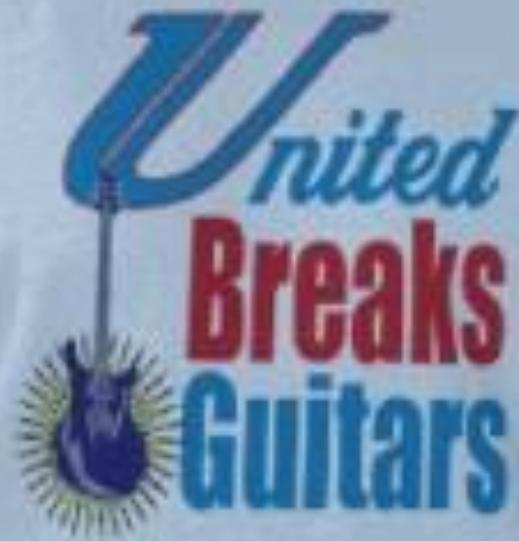

KLM Sucks…

(M. Te Booy; Gforce 2012)
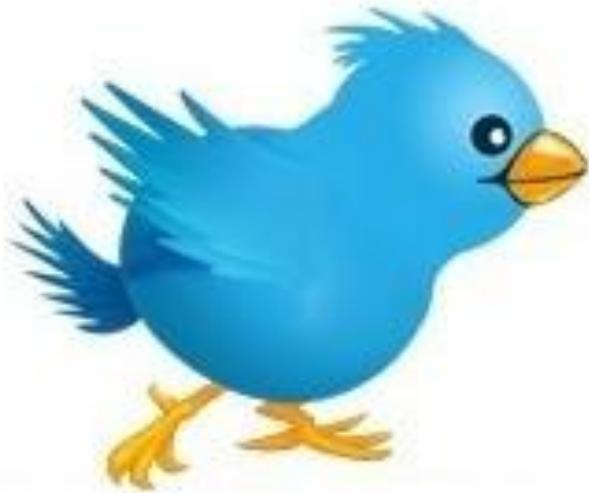

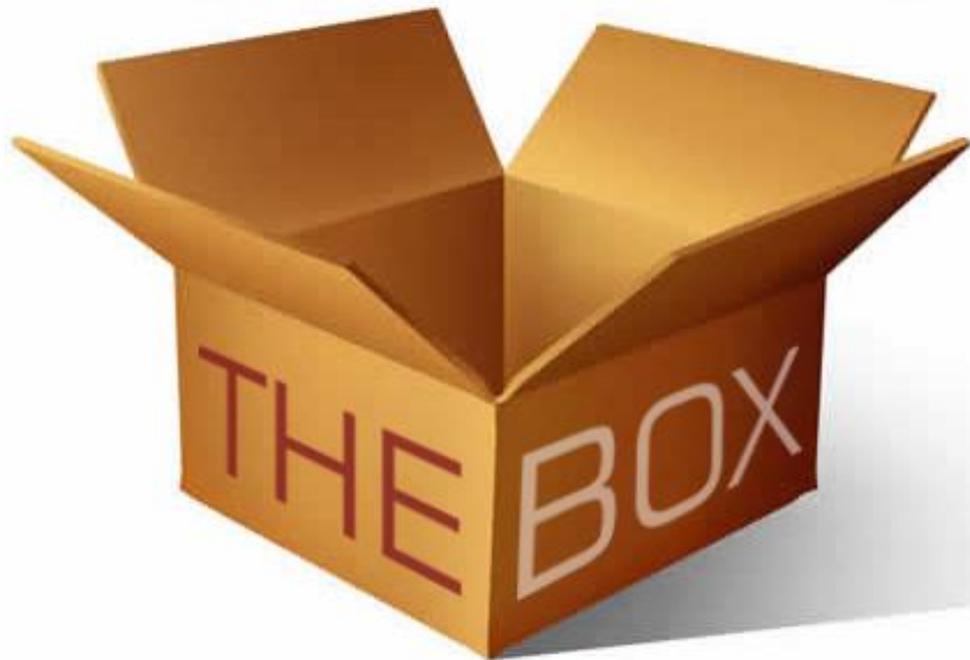

Exploit before you explore

Look what the chat dragged in ….

Value Center

Contact Center

Call Center

A customer experience is
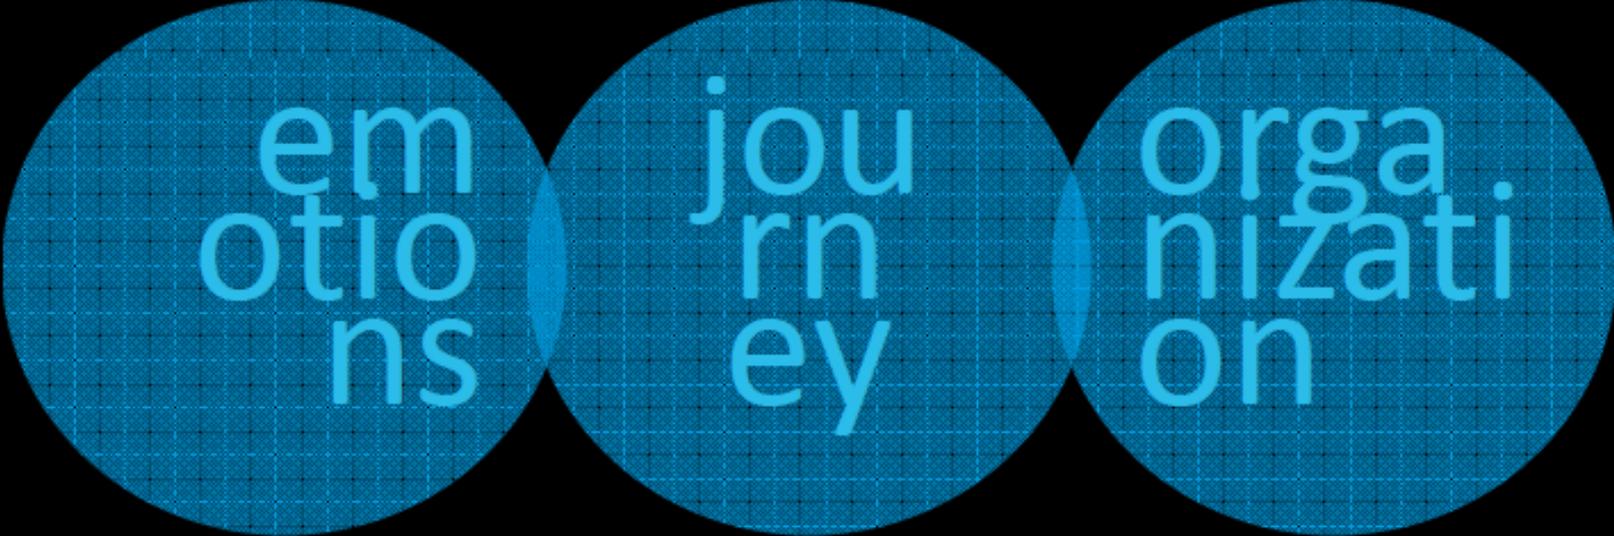

emotions — How a customer feels and remembers

journey — a journey of interactions

organization — with and about an organization

4C Consulting
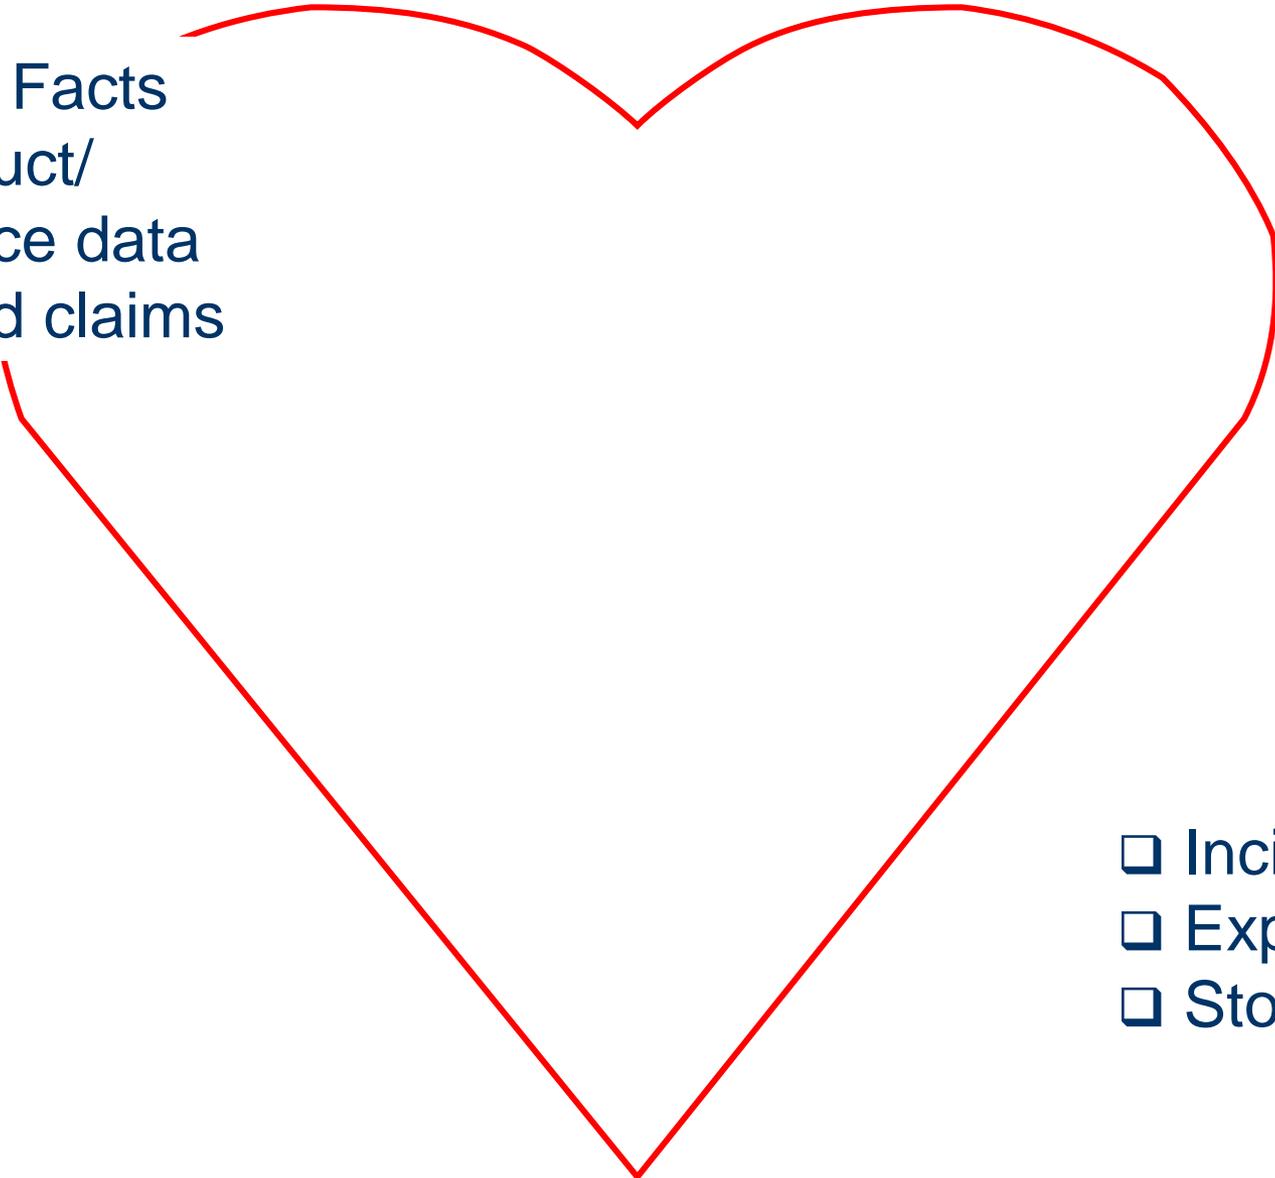

- ❑ Hard Facts
- ❑ Product/ service data
- ❑ Brand claims

- ❑ Incidents
- ❑ Experience
- ❑ Stories

It's the emotional tail wagging the rational dog

" SAS is created 50 million times a year, 15 seconds at a time. These 50 million "moments of truth" are the moments that ultimately determine whether SAS will succeed or fail as a company "

Jan Carlzon

Your Contact Center attracts Moments of Truth

H

Important Factors

L

CC

Consumer Perception Of Experience influences

| Features | Price | Policies & Procedures | Con-venience | Delivery | Response To Problem or Request | Ads & promo's | Employees |
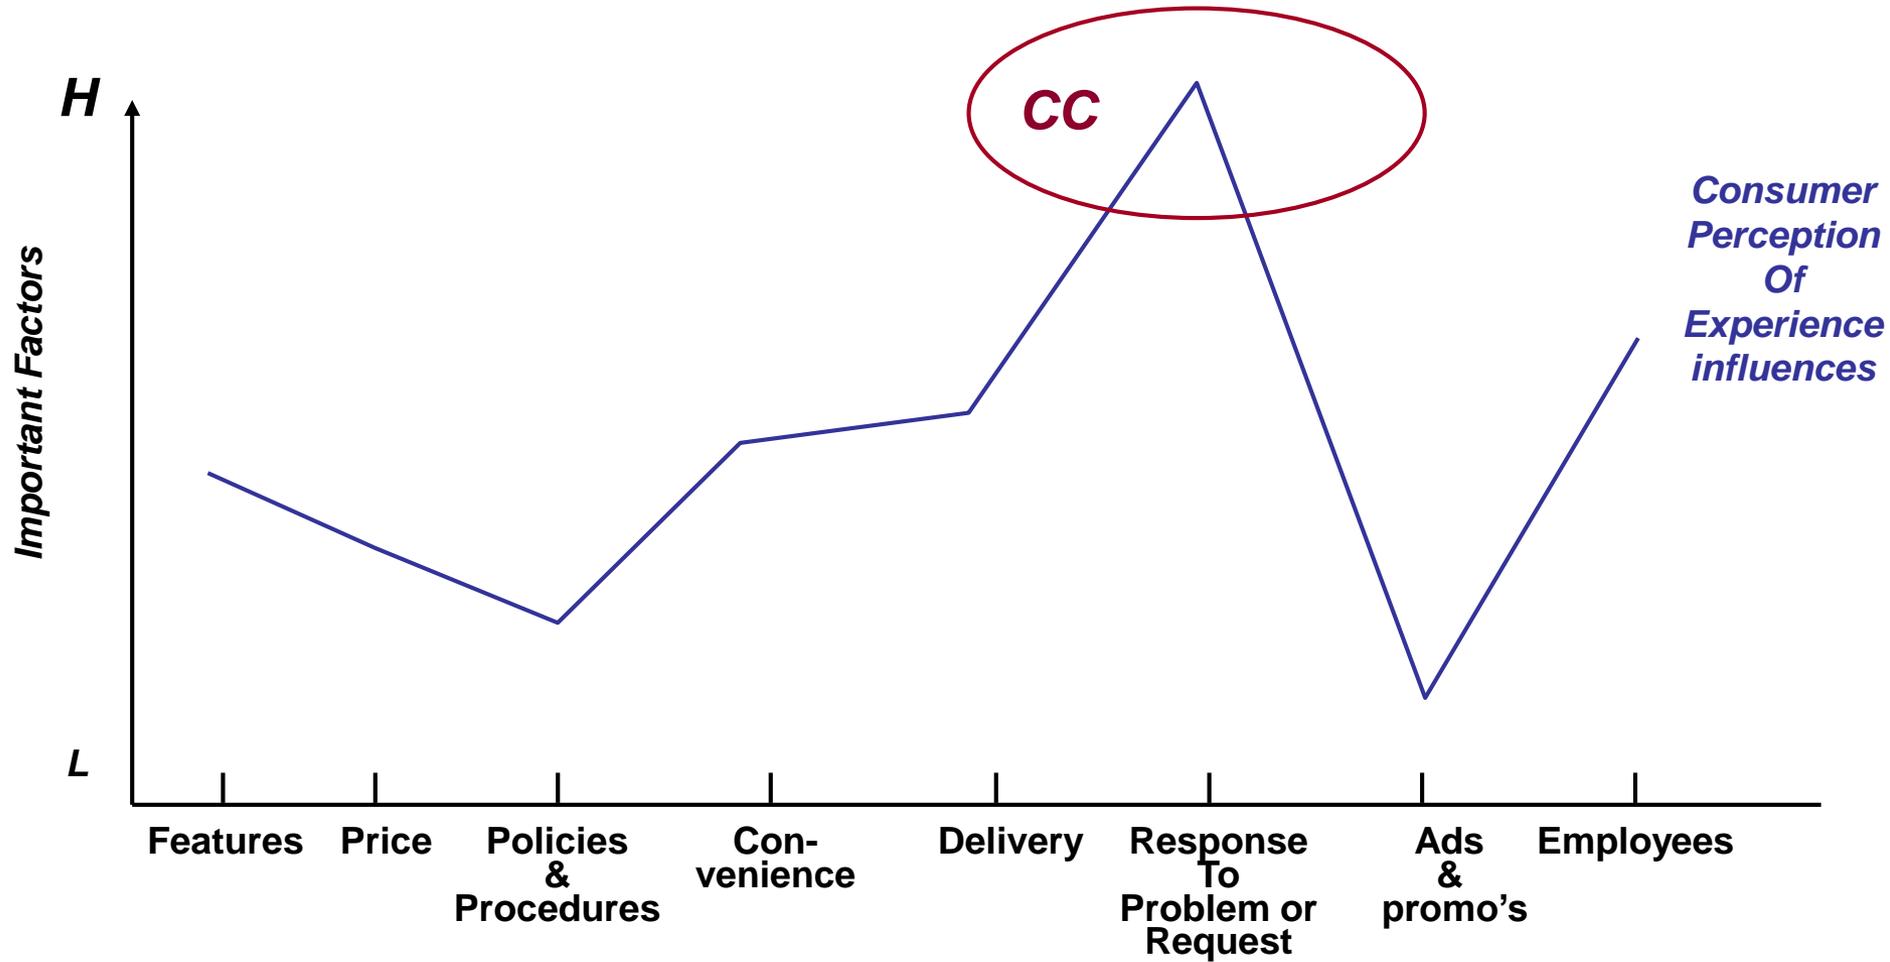

Taken from whitepaper "Customer experience happens in the contact center"
Attributed to Forum Corporation, 2002

Contact center can support every phase in cycle

Circle of (customer) life

So what about your own P&L ?

Organisation

Contact Center

Organisation

Contact Center
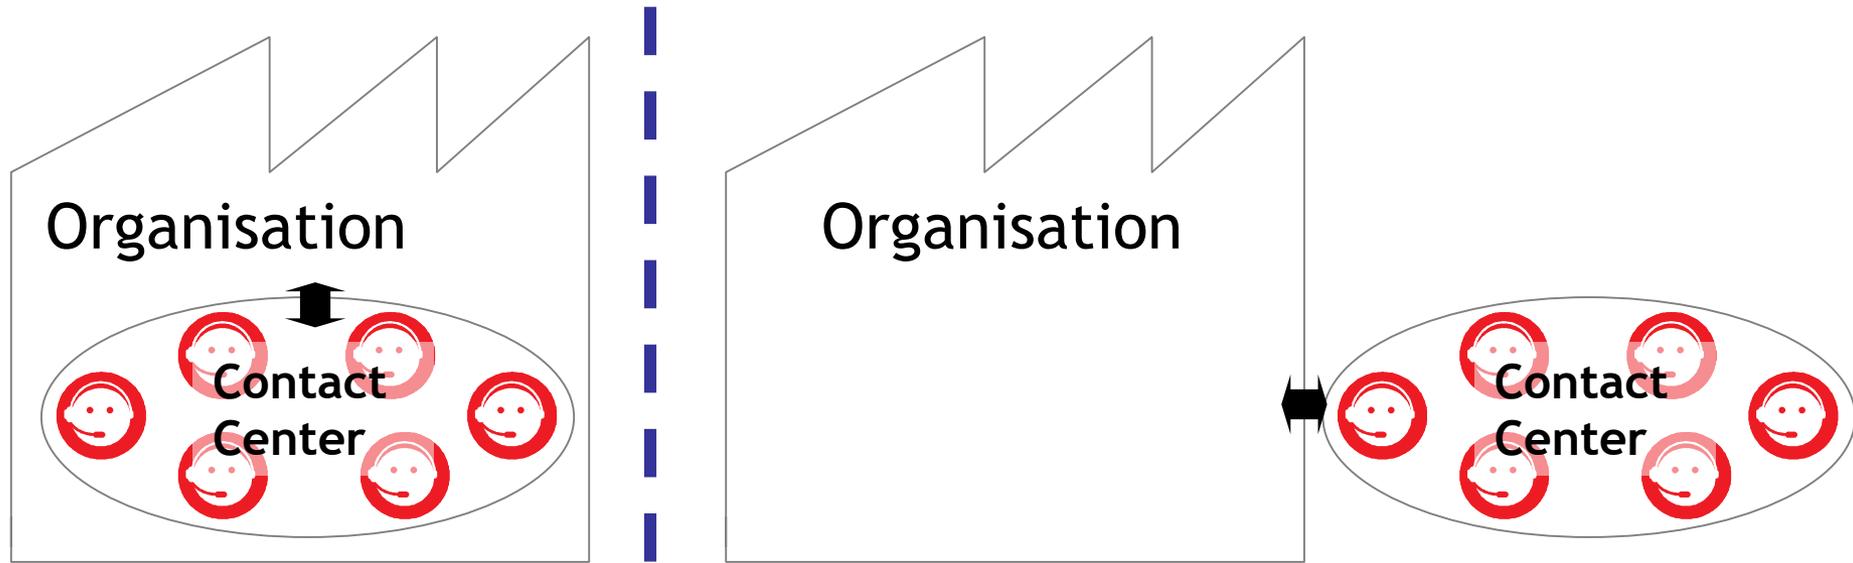

Whose profit is it anyway ?

Sales Is Service

Profit Center

Value Center

"Sales = Service"

❑ Only 3 situations in which "selling" is not part of "good service":

❖No alternative

❖No slack

❖No point

From "Delivering knock your socks off service"

From Value to Profit center

Not an "easy" statement

Operations	Sales reporting	Sales rewarding	Multichannel management	Sales skills operations
	Contact center activities support			

Sales IS Care

Mission and strategy	PRODUCT	PROCESSES	ORGANISATION
	Support Telesales activities		

From Value to Profit center

Degree of product/contract standardisation

Contact center as qualified lead generator

Contact center as mass sales channel

Closure online

Contact center as high level pre-sales engine

Online phone negociations by phone account manager

False economics

Multichannel approach

Axis labels: **Value-add of Sale** (vertical, H to L), **Cost per transaction** (horizontal, L to H)

Channels (bottom-left to top-right): Internet, Tele-marketing, Retail Stores, Distri-butors, Value Added partners, Sales Force

Direct Marketing Channels, *"Indirect" Channels*, *Direct Sales Channels*
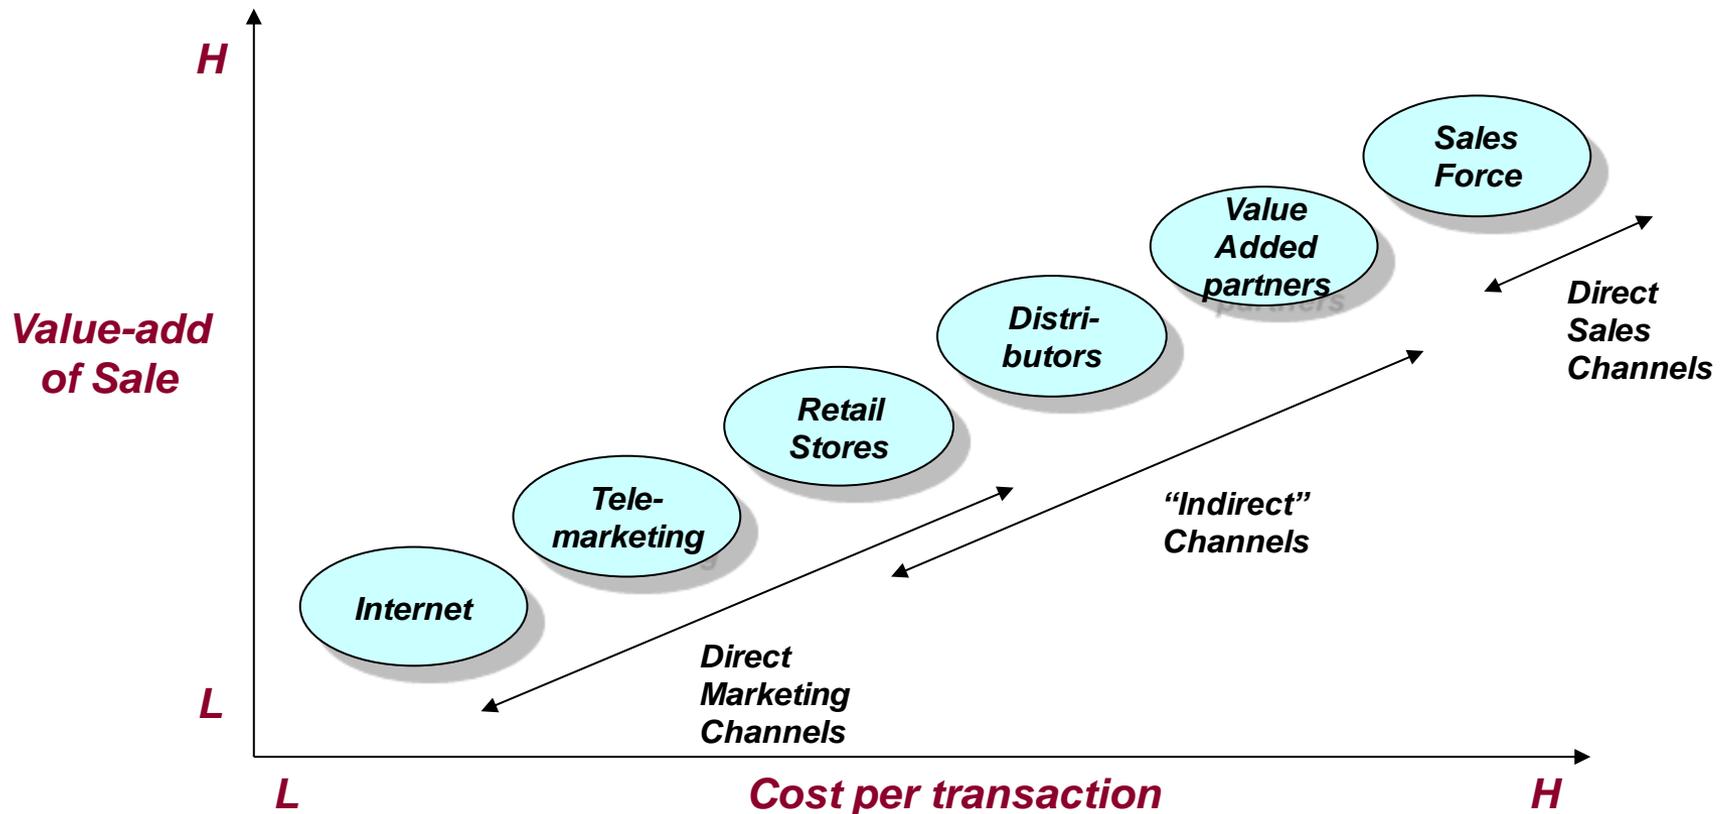

From "The Channel Advantage"

4

When the going gets tough …

Can we fix it ?

Never forget to get your basics right

Get the Basics Right

could do

should do

Must do

Can do

"Demonstrate you add value to the business model, and you'll be a hero"

(Niels Kjellerup)

Be the Change

Understand the "there"
Money talks
Remember the purpose

Translate the brand
Walk the talk, step up to the plate
Provide feed-back: "customer is king"
Reporting: forget the contact center
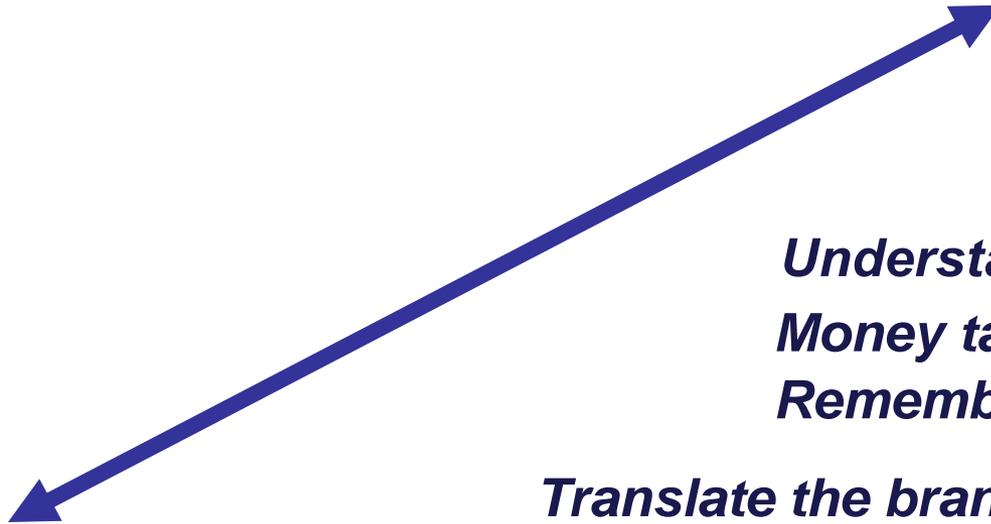

Invite others to live the "here"
Know what you are capable of
Get your basics right

Get Help

**Being a Sales channel changes position**
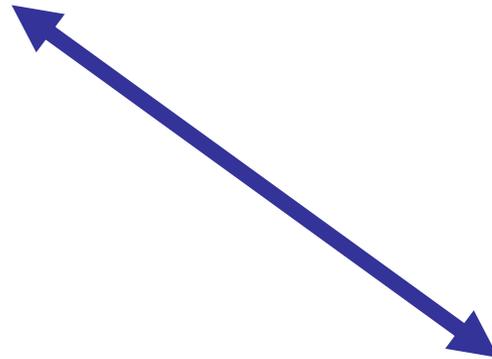

But adds expectations
